Hey everyone. 9:15 PM

Would like some help with something. 9:22 PM

For those that remember me from last year - have been running DeFi trading for various hedge funds for a the last 4 years. 9:22 PM

I am launching a liquid token hedge fund strategy. 9:23 PM

Looking to hire some help or profit share. 9:23 PM

Market is moving fast and don't have the luxury of building all the tools myself. 9:23 PM

Has anyone built a crypto portfolio backtester - or wants to build one. Something that allows us to test performance of different baskets of liquid tokens. 9:25 PM
